*THE MENDEZ NATIONAL INSTITUTE
OF TRANSPLANTATION FOUNDATION
(MNITF) is a public nonprofit dedicated
to the mission of advancing the science
and practice of organ transplantation
and end-stage organ disease therapies
through research, education, and
innovation.*

*More than 1 in 7 Americans may have
chronic kidney disease (CKD). Black
Americans, Hispanics and Native
Americans tend to have a greater risk of
kidney disease and failure.*

Enjoy an unforgettable evening featuring a red carpet entrance, a cocktail and hors d'oeuvres reception, and a delectable three-course dinner. VIP guests will receive exclusive gift bags and can dance the night away to live performances by celebrity recording artists. The evening will also include a special awards presentation honoring distinguished achievements.
